RE: Request for Grant Match Guarantee

We are applying for a Small Matching Grant from the State of Florida Division of Historic Resources. The grant is for \$50,000. The project is for a living history presentation performed by animatronic parrots and cockatoos. We feel strongly, that for the extraordinary history of Parrot Jungle to be passed down to future generations, the solution of using animatronics is both in keeping in the spirit of our family entertainment positioning and using the images of parrots in the only way possible, by educating visitors about our rich history.

We are respectfully requesting a guarantee from Council that if this grant is awarded, the Village of Pinecrest will approve a \$50,000 match to the grant. Thank you in advance for your consideration.
