RE: Resolution Authorizing the Village Manager to Negotiate a Professional Services Agreement with Stantec Consulting Services Inc. for the Village of Pinecrest Safe Streets and Roads for All (SS4A)

The Village of Pinecrest applied and was awarded a \$280,000 grant through the Federal Safe Streets and Roads for All (SS4A) program. This funding will support the development of Pinecrest's Comprehensive Safety Action Plan, which aims to enhance road safety and reduce traffic-related injuries and fatalities. The Village published a Request for Qualifications (RFQ) for the Pinecrest Safe Streets and Roads for All (SS4A) project, which will provide professional services for the development of the plan. As a result of the RFQ, four (4) proposals were received by the September 27, 2024, deadline and were ranked as followed:

- Stantec Consulting Services
- Choice Engineering Consultants
- TJKM
- Street Plans

A staff committee evaluated the proposals based on the firms' experience and capability, project team and staffing, work plan, references, and completeness of the proposal. Based on these criteria, the committee selected Stantec Consulting Services Inc.

I hereby respectfully recommend the Village Council adopt the attached resolution authorizing the Village Manager to negotiate a professional services agreement with Stantec Consulting Services Inc. for the Pinecrest Safe Streets and Roads for All (SS4A) project.
