RE: Suniland Park Spectator Canopy Installation

---

The Parks and Recreation Department solicited three quotes for the installation of four shade structures located over the spectator bleachers at Suniland Park. B&G Awnings Corporation provided the lowest cost proposal of \$51,992.00 for this installation. Funding for this project was approved within the Fiscal Year 2024 Capital Improvement Projects for Suniland Park. This project is also part of a larger Suniland Park improvement project that has received matching grant funding through the Florida Recreation Development Assistance Program (FRDAP), which is administered through the Florida Department of Environmental Protection.

The Parks and Recreation Department recommends that the Village accept B&G Awnings Corporation's proposal and install the shade canopies at Suniland Park.
