RE: Resolution in Support of Red Road Linear Park Safety Improvements Project

---

Attached for your consideration please find a resolution in support of the Red Road Linear Park Safety Improvement Project. The existing Red Road Linear Park runs from Kendall Drive to Killian Parkway and will connect to the future Kendall Shared Use Path. The proposed project will design and build improvements that improve safety for park users based on a safety analysis study of the facility.

The design and construction of this proposed project is estimated to be \$3,000,000.

The Village will seek project funding through the County Transportation Planning Organization and the Florida Department of Transportation.

I hereby respectfully recommend the Village Council to adopt the attached resolution.
