RE: Resolution Authorizing the Village Manager to Negotiate a Professional Services Agreement with Kimley-Horn for the Ludlam Road Right-of-Way and Share-Use-Path Design Project

The Village of Pinecrest published a Request for Qualifications (RFQ) for the Ludlam Road Right-of-Way and Share-Use-Path Design project, which will provide professional services for design and construction administration. As a result of the RFQ, five (5) proposals were received by the January 16, 2025, deadline and were ranked as follows:

- Kimley-Horn
- RK&K
- Compelling Solutions
- Choice Engineering Consultants
- CHA Consulting

A staff committee evaluated the proposals based on the firms' experience and capability, project team and staffing, work plan, references, and completeness of the proposal. Based on these criteria, the committee selected Kimley-Horn.

I hereby respectfully recommend the Village Council adopt the attached resolution authorizing the Village Manager to negotiate a professional services agreement with Kimley-Horn for the Ludlam Road Right-of-Way and Share-Use-Path Design project.
