RE: Resolution Awarding SW 124th Street Bridge Rehab

The Village published an Invitation to Bid (ITB) for the SW 124th Street Bridge Rehabilitation Project. The project includes repairs to the bridge wearing surface, guardrails, cushion blocks, end anchorages, and areas of bank erosion. The scope of work also includes cleaning and coating of substructure concrete surfaces, as well as reinforcing and repairing concrete spalls.

As a result of the ITB process, the following three (3) bids were received by the May 22, 2026 deadline:

M&J Construction Company	\$737,128.00
P&P Contracting, Inc.	\$340,200.00
Skyscraper Construction	\$805,830.00

Based on staff's evaluation of the proposals received, I hereby respectfully recommend that Village Council adopt the attached resolution awarding the contract for the SW 124th Street Bridge Rehab project to the lowest responsive and responsible bidder, P&P Contracting, Inc. in the amount of \$340,200.00. A total of \$570,000 is allocated in the FY 27 Adopted Budget, in the Stormwater Utility Fund for the completion of these repairs. Unused balance will go to fund reserves and we reapportioned for future stormwater projects.
